

Northwest Child Development Centre

Working together with families, collaborating with communities, strengthening the region

Family Services Coordinator for Vanderhoof Office

Nechako Lakes Early Intervention Program

This is a temporary (6 month), part-time (15 hrs/week) term position for leave coverage.

As soon as possible, with the possibility of extension.

Job Summary:

The Family Services Coordinator works as a member of a family-centered interdisciplinary team providing comprehensive services for young children with support needs and their families. The Coordinator provides education, support and service coordination for families. This position is located at the NWCDC's community-based office in Vanderhoof and covers communities from Fraser Lake to Fort St. James.

Qualifications:

- Degree or relevant training in Social Work, Early Childhood Education, Counselling, or related field.
- Sound knowledge of child development from birth to 6 years and experience working with children with support needs and their families.
- Knowledge of best practices, prevention and intervention services, skills and abilities to provide support groups including parent to parent, community education and knowledge of current community services.
- Knowledge and experience working within Multicultural Communities.
- Knowledge and experience working within First Nations Communities.
- Knowledge of appropriate community, regional and provincial resources for young children with special needs and their families.
- Effective communication and interpersonal skills
- Experience in working with families in a family centered approach and with a team of service providers.
- Group facilitation and organization skills.

Apply as soon as possible to:
